Diocesan Policies

1. Each parish/group must provide one (1) adult chaperone for every seven (7) youth, who is at least 21 years of age.
2. A Medical Liability Release Form must remain with the parish Group Leader (a second copy of all forms must be given to the Diocesan staff upon arrival). Report any injuries or medical emergencies immediately and fill out an incident report.
3. All electronic devices and cell phones must be silenced during all activities and put away. It is best that they not serve as a distraction from the retreat experience.
4. All parish drivers must be at least twenty-one (21) years old with proof of insurance on file at the parish and in the vehicle.
5. All chaperones and security personnel having 'regular and overnight' exposure to youth must be in compliance with diocesan risk management policies.
6. All adults must have submitted the Diocesan Safe Environment Forms plus have attended Protecting God's Children within three (3) months of submission of all the forms.
7. Theft and property damage will be paid by the person or parish responsible.
8. No one (1) youth will ever be alone with one (1) adult. A 2:1 ration will be observed and practiced.
9. Diocesan staff and security personnel are "on duty" throughout all of the event – first aid is available.

Overnight Policies

1. No one is allowed outside the activity area except during designated free time. When in outside activity areas, youth must be supervised at all times.
2. All participants must be in their own room no later than the appointed time each night, as designated by the Diocesan staff.
3. An atmosphere of "quiet" and "rest" is to be observed at all times in all rooms where participants are residing for the weekend. Please keep voices down and don't slam doors. Please respect the rights of those who wish or need to rest in their rooms.
4. All participants are to remain in their assigned rooms due to fire code.
5. Youth cannot visit in rooms or floors of members of the opposite sex.
6. Adults may not "hang out" alone with youth in rooms or areas that are not out in the open.
