Parent Educational Opportunities

- Each week during regularly scheduled Faith Formation, Parents will have the opportunity to come together to enrich their own faith.
- *The Catholic faith is so rich and vast that we can never know the depths of all there is to know.*

Adults do not grow in faith primarily by learning concepts, but by sharing the life of the Christian community, of which adults are members who both give and receive from the community." Libreria Editrice Vaticana paragraph 28
